Learn about energy retrofit stimulus projects process

The Georgia Environmental Facilities Authority (GEFA) in association with the Georgia State Financing and Investment Commission (GSFIC) and the University System of Georgia (USG) will host a contractor, supplier, and vendor informational meeting at the Georgia Public Safety Training Center in Forsyth from 9:30 a.m. until noon on Tuesday, Dec. 15. A similar session is planned for January for those that cannot attend this session.

Attendees will receive information on the following:

- How projects funded under the American Recovery and Reinvestment Act of 2009 (ARRA) U.S. Department of Energy funded State Retrofit Program will be awarded.
- The procurement process, including how projects will be advertised, contracted, delivered and managed.
- Reporting and maintaining compliance with ARRA requirements.
- The types of projects that will be available under this phase of the ARRA.

Additionally, individuals will have the opportunity to meet representatives from GEFA, GSFIC and the University System of Georgia who are directly involved in the projects.

The Public Safety Training Center is located at 1000 Indian Springs Drive, Forsyth, Georgia 31029.
