**YOUR DAILY COMMUTE HAS JUST BEEN ALTERED  
OR HADN'T YOU HEARD?**

Access to information is the public's most valuable tool when it comes to protecting your homes, your communities and your government. Newspapers have the unique ability to reach a broad audience, regardless of the socioeconomic status, by providing public notices in print and online.

The public notices appearing in this newspaper provide important information on actions of local government such as traffic detours and road construction project bids.
