

LOCAL MATTERS

There are certain ingredients it takes to make a healthy, growing, vibrant community. People need churches that can be a supportive spiritual home for families, dependable workplaces with successful jobs. We need reliable schools creating well educated children. Another vital factor is a quality community newspaper that can provide comprehensive, thorough, accurate and fair news coverage to be sure our citizens are well informed with reliable facts, not just unfounded gossip and Internet nonsense. For more than a century, The Blackshear Times has been the newspaper Pierce Countians have depended upon for accuracy, fairness and to always put Pierce County's interests first and foremost.
